

EAGLECELL®

ALL-PAPER HONEYCOMB GRAPHICS BOARD

Packaged better to protect your product and keep your cost down!

★ **Paper shipped *in* paper!**

Packaged in cartons made from 100% recycled paper. Completely biodegradable.

★ **Paper shipped *on* paper!**

Honeycomb pallets are lighter than wood and made from 100% recyclable, biodegradable material.

Pallets can be baled and disposed of with other corrugated and paper products.

★ **Easy handling!**

Pallet entry height is 3.5" and is available from **all four sides** of unit.

★ **Larger pallets!**

Pallets are 2" **larger** than the product, keeping it safely away from the edges and possible forklift damage.

★ **Made in the U.S.A.** ★

100% Recyclable
